Subject: CLOSURE OF CONTRACT SP-1922

Our records indicate all work on Contract SP-1922 has been completed and all deliveries to the customer have been accomplished. No residual Government property remains in the Contractor's possession under this contract for disposition.

On 26 March 1969 we submitted our final Report of Inventions, in accordance with the Patent Rights clause of this contract.

Our final invoices submitted on this contract, for the period July 1966 - June 1967, compare to the exhibit amounts for that period as follows:

<u>Customer</u>	<u>Invoice No.</u>	<u>Invoice Amount</u>	<u>Exhibit Amount</u>	<u>Difference</u>
1	6-8			
2	6-9			
3	6-10			

25X1

This in turn will revise our total contract amount to

25X1

In view of these conditions we believe Contract SP-1922 may now be closed. In you concur, please issue a final amendment to show final contract amount and completion.

Sincerely,

25X1
